The purpose of this letter is to notify you of the Fiscal Year (FY) 2022 apportionment of State Wildlife Grant (SWG) Program funds by the U.S. Fish and Wildlife Service (Service). The apportionment includes \$55,084,080 for the SWG Program authorized by the FY 2022 Consolidated Appropriations Act, 2022, PL 117-103.

The FY 2022 apportionment also includes \$1,043,383 in reverted FY 2008 and later SWG Program funds (5620) and \$50,858 in unobligated balances from FY 2007 and prior year grant closures (5720). Total funds available for the States and territories in the FY 2022 apportionment are \$56,178,321 (CFDA No. 15.634), an increase of \$670,152 from FY 2021.

This Program provides grants for the development and implementation of State programs to benefit wildlife and their habitat. The FY 2022 apportionment shown on the attached table is for the fiscal year beginning October 1, 2021, and is available for obligation until September 30, 2023. After this date, the Service will reapportion any remaining unobligated and other reverted funds to all States and Territories, together with any new funds appropriated for FY 2024.

The funds are distributed through apportionment formula in accordance with the Appropriations Act to States and to the District of Columbia, the Commonwealth of Puerto Rico, Guam, the United States Virgin Islands, the Commonwealth of the Northern Mariana Islands, and American Samoa. The formula for apportionment is based one-third on the land area of each State and two-thirds on the population of each State. In accordance with the Act, no State may receive less than one percent of the total available for apportionment, or more than five percent. The District of Columbia and the Commonwealth of Puerto Rico may each receive no more than one-half of one percent of the total, and Guam, the U.S. Virgin Islands, the Commonwealth of the Northern Mariana Islands, and American Samoa may each receive no more than one-fourth of one percent of the total.

The Service is pleased to make these funds available to you. If you have questions about the apportionment, please contact the Fish and Wildlife Service Regional Director for your area.

Sincerely,

PAUL  
RAUCH
